WiQo BOOSTER

WiQo BOOSTER is a dermocosmetic spray. Its **unique formula** yields profound effects:

1 MOISTURIZING

3 SOOTHING

2 PROTECTIVE

4 PLUMPING

COMPONENTS

- **Four hyaluronic acids** with different characteristics play different roles in the layers of the skin
- Pool of biomimetic **peptides**
- Antimicrobial **micronised silver**, the only preservative contained in the product
- **Acetylglucosamine**

BENEFITS

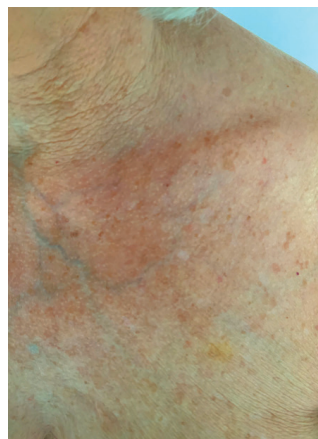

- Deep hydration
- Immediate **soothing** effect
- Reduces reddening
- **Reduces the risk of infection** thanks to the micronised silver
- **Protective filmogenic** action
- **Plumping** effect
- Improves skin firmness and elasticity
- **Retains water**, therefore preventing dehydration
